To All Investors,

Sub: Fund updation

In order to comply with the new circular and guidelines issued by SEBI and Exchanges and to improve operational efficiency, provide better cash flow management, settlement and fund updation during ongoing market hours, we Ashlar Securities Pvt. Ltd. recommend you to use following method instead of ATOM for fund transfer for smooth trading experience. **Also note that the funds will be updated only after the payment is received in the Trading Member(TM) account** keeping in view of the new regulatory guidelines.

- 1) Unified Payment Interface (UPI)
- 2) NEFT/ RTGS/ IMPS

Further note that if the client chooses ATOM for fund transfer, we will take a day to update the funds in the client trading account as the fund transfer from ATOM is received the next day.
